Sept - Oct 1914

September 25th, 1914

Professor Anderson,

Engineering Building.

Dear Professor Anderson:

Yesterday I again brought up at the Board of Governors your request for a telephone and supported it to the best of my ability. I regret, however, that the Board took up the position that they are unable to grant it this year inasmuch as everything must be kept at the lowest figure. I am,

Yours sincerely,

President.

ADDRESS REPLY TO
PROFESSOR G. R. ANDERSON
